Soas Creation Kit 1.2

Contents

(revised 06/06/2010)

ASLOxo2 (140+ Sugar Activities)

Contains about 140.xo SugarActivity files from ASLO plus some extras

These can be copied to a 12Gb USB and dragdropped into the sugar Journal to install them.

Activities IndexMirabell.ods

Open Office Spreadsheet showing .xo File Compatibility with Mirabelle and earlier versions of Soas.

Note: You can sort as it is a spreadsheet!

Expert Install Methods

How to install to a 4GB USB using liveinst (ANACONDA) from SoaS.pdf

Use livecdisotodisk script to write a live USB.pdf
