

Goals, Objectives, and Activities

Goal A broad statement about what the program or initiative intends to accomplish. It is also the intended long-term outcome.

Objectives Expected achievements that are well-defined, specific, measurable, and derived from the goal(s).

Activities Efforts conducted to achieve the objectives.

<p>GOAL: To create an educational environment where youth want and can come to school every day.</p> <p>Barriers:</p> <ol style="list-style-type: none"> 1. Defining terms – truancy/absenteeism and enforcement policies related to truancy (five and ten day policies). 2. Consistent implementation strategies regarding truancy. 3. Disengagement of school and community. 			
<p>Objective 1: Convene a statewide truancy initiative to develop a consistent approach to truancy throughout the state.</p>
